**BRANDON, MANITOBA**

Annually cattlemen from throughout North America throng the Canadian International. Will you be among the discriminating crowd in 1972?

# **CANADIAN INTERNATIONAL SHORTHORN SHOW and SALE**

Man - Ex Arena

PROVINCIAL EXHIBITION GROUNDS

**BRANDON, MANITOBA**

**Saturday, February 26, 1972**

**45 BULLS**

**10 FEMALES**

Consigned by 17 leading herds from five Canadian Provinces

## GENERAL SALE INFORMATION

**TIME AND LOCATION** — Saturday, February 26, 1972, Man-Ex Arena, Provincial Exhibition Grounds, Brandon, Manitoba, Canada, located at the south edge of town on Highway 10. Sale starts at 12:30 p.m.

**SHOW** — 8:00 a.m. Judge, Paul Potter, Big Rock, Illinois.

**TELEPHONE** — (204) 728-1924.

**SALE HEADQUARTERS** — Prince Edward Hotel, Brandon. Make reservations direct to John McFarland, manager, indicating you are attending the Canadian International Sale.

**HEALTH** — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements, all buyers should be aware of their own health regulations, any special requirements, etc., as all sales are final.

**TERMS** — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

**INSURANCE** — Insurance will be available at the sale.

**LUNCH** — Will be available at the sale.

**GUARANTEE** — The cattle will sell under the standard guarantee endorsed by the American and Canadian Shorthorn Ass'ns. Where footnotes appear in the catalog, they were furnished by consignors or written from information supplied by the consignor.

Canadian Shorthorn Sales, Inc., sponsors of this event, or the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk or injury to himself. The guarantee shall constitute a contract between the buyer and the seller for each lot. Neither the sale manager nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Shorthorn Sales, Inc., for specific tasks, promotional and clerical, and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

**RECORDING IN U.S. HERD BOOK** — The specific fee levied by the American Shorthorn Ass'n on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd book. All pedigrees will be verified for acceptance into the American Shorthorn Herd Book. Any that are not acceptable will be announced on sale day.

**BANQUET** — A Dutch-treat banquet will be held at 7 p.m. Friday evening, February 25, in the Prince Edward Hotel, Brandon. It will be preceded by a social hour at 6 p.m. sponsored by the Brandon Chamber of Commerce.

**BY-BIDDING** — Any consignor proved to have been "by-bidding" will be barred from all future participation in the Canadian International Bull Sale.

**MINIMUM BID** — Any bull not receiving the minimum bid of \$400 will be withdrawn from the sale ring.

**SALE MANAGER** — Harris Simons, 16 S. Locust St., Aurora, Ill., U.S.A. Telephone: (312) 896-8511.

# SHOW CLASSIFICATION

**SHOW:** 8:00 a.m., February 26, 1972.

**JUDGE:** Paul Potter  
Melbourne Farm  
Big Rock, Ill.

Lots 53, 54.

**GRAND CHAMPION FEMALE**  
RIBBON

**RESERVE GRAND CHAMPION FEMALE**  
RIBBON

## GENERAL INFORMATION

**Getting to the sale . . .** Excellent highways and trains serve Brandon. By plane your best connection is through Winnipeg. From Winnipeg to Brandon (**daily except Saturday and Sunday**) is a Transair flight departing Winnipeg at 7:30 a.m. and arriving Brandon at 8:25 a.m. Another Transair flight leaves Winnipeg at 6:40 p.m. and arrives Brandon at 7:35 p.m. There is no scheduled plane service out of Brandon on Saturday or Sunday. However, special return arrangements will be made for Saturday evening for a flight from Brandon to Winnipeg leaving at 7:00 p.m. if ten or more book passage in advance by letter to:

Trans Air-Midwest  
Winnipeg 21, Manitoba  
Attn. Reservation Department  
Or Telephone: (204) 786-7511

Be sure to mention that you are attending the International Shorthorn sale in Brandon. Please advise the sale manager in advance of your booking. Also, those wishing to leave from Brandon on Saturday evening after the sale can drive to Winnipeg, about 2½ hours from Brandon. Rental cars are available in Brandon and groups are always available with which to share expenses.

Those who prefer trains can take Canadian National Super Constellation from Winnipeg to Brandon departing at 11:20 p.m. and arriving in Brandon at 1:50 a.m. From Brandon back to Winnipeg take Canadian National Super Constellation leaving Brandon at 6:30 a.m. and arriving in Winnipeg at 9:10 a.m. These schedules were accurate in mid-January, but they are subject to change and should be checked.

Harris Simons, the sale manager, will be in Brandon two days before the sale. If you have problems with transportation, call him at the Prince Edward Hotel. Messages may be left with the hotel manager.

You will miss too much . . . and barely make the sale, if you plan to arrive in Brandon as late as sale morning. If you have time, bus service is also available between Brandon and Winnipeg.

**Want to come in your truck?** In this way you can load your bull out and head right home. Arrangements are being made to have the U.S. border open at Dunseith, No. Dak. (just 45 miles south) from 6:00 p.m. Saturday evening after the sale for several hours so you can go through. It will not open again until Monday morning. All health papers will be in order so cattle can go to the U.S. immediately.

**Sending for your truck?** A night watch will be available through Monday evening if necessary, so if you wish you can send for your truck after sale. After Monday, we will help you make special arrangements for care of your cattle at the farm of some dependable nearby Shorthorn breeder. Good truckers are available in the Brandon area and it is a major shipping point. Stan Durnin, Shorthorn breeder at Brandon, has a truck available for delivery of bulls after the sale for any buyer who wishes to use this service.

**We will work with you.** Although it is never possible to predict, past experience indicates cattle will move in all directions. We will try our best to help you arrange group shipment most of the way home.

**Mail bids:** The following representatives will be attending. You may send bids to them or to consignors. These men may be reached at the addresses given or the evening before the sale at The Prince Edward Hotel.

**Telephone at Sale:** (204) 728-1924.

**Harris Simons**, The Shorthorn World, 16 S. Locust St., Aurora, Illinois.  
Tel: (312) 896-8511.

**Morris Senkiw**, Secretary, Manitoba Shorthorn Club, Cromer, Man.

**J. R. Blacklock**, Auctioneer, 1008 8th St., East Saskatoon, Sask.

**Dr. R. H. Best**, Health of Animals Division, Box 175, Brandon, Man.

**Al Hamann**, Secretary of the Iowa Shorthorn Ass'n, Rock Rapids, Ia.  
Tel: (712) 472-3676.

**Lyle Eiten**, Prairie Farmer, Ladd, Ill.  
Tel: (815) 894-2297.

The City of Brandon annually extends a most cordial welcome to everyone connected with the Canadian International.

## WELCOME

With each passing year it becomes a greater honor to welcome you to the Canadian International Bull Sale. Since it was moved to Brandon in 1964, the sale has been unparalleled in the modern history of Shorthorn sales anywhere. In these eight years, 385 head have sold for an average of more than \$1,150 to prove the strength of the Shorthorn and Polled Shorthorn business.

Perhaps more important is that while great stock bulls annually sell in Brandon, the Canadian International has proved to be the source for improving Shorthorn commercial bulls at practical prices. In fact, the majority of bulls each year sell from \$500 to \$750. And, they go out to put extra profit on the calf crops of their new owners.

To thank each of the dedicated men and women who work to make the sale run smoothly, would be impossible. But special commendation must go to the officials and the citizens of the City of Brandon who have given so much in a material and friendly way.

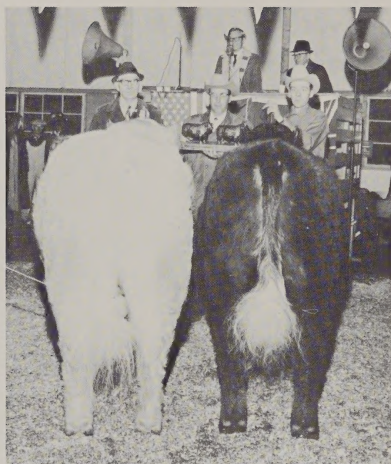

Come be with us February 25 and 26 in Brandon. The hospitality and the cattle are the best the world has to offer.

John Esau, President  
Shorthorn Sales, Inc.

PLEASANT DAWN COLE x — This is a big proven sire that stands correct on good feet and legs. He weighed 1,710 pounds at 24 months, and will mature at well over a ton. His sire, Pleasant Dawn Seal 3rd x, is a full-brother to Pleasant Dawn Seal 2nd x, and has bred equally well. His progeny placed in the championships at many of the western fairs, including Brandon and Regina. Cole x is out of a good roomy cow that is an excellent milker. She has been bred to four polled sires and all of her calves have been clean polled. He is a large, correct and quiet dispositioned herd sire; take a look at this bull on sale day.

**Lot 2, Bull****Reford W. Gardhouse****ABERFELDY LAGOON —424854—**

Red Roan, calved April 20, 1969. Bred and owned by Reford W. Gardhouse, Milton, Ontario.

ABERFELDY LAGOON — Placed third at the 1971 Royal Winter Fair in one of the strongest two-year-old bull class in years. Lagoon is clean and modern, with the correctness of conformation to go with it. His sire, Aberfeldy Heir, was the 1967 International supreme champion. His dam, a 1,400 pound cow, is a big upstanding female from the best family in the Sandoon herd.

BRUCEBURN BRUNEL 13th — Nearly three years old, here's a bull that is ready for service. His sire is the well-known AAA Louada Brunel.

KEITH PARK RIVERHURST 6th x — This bull was grand champion at Saskatoon and Swift Current Exhibitions, and a member of the best pair of bulls class at both exhibitions. He is the growthy, large type, with exceptionally square-built rear quarters, moves very freely, and with perfectly sound feet and legs. This is the bull that will attract the man looking for the best in a herd bull.

VANDERDALE ARGO x — This red polled bull was performance tested and qualified on test. He was in the show string all last summer and was grand champion at London Fair.

#### SALE ORDER

The cattle will sell in the following order, predetermined by the board of Shorthorn Sales, Inc., at its 1971 annual meeting.

The sale will open with the grand and reserve grand champion bulls in that order.

Then the two remaining champion bulls will be sold, the oldest first. Following that:

- All remaining first-prize bulls will be sold from the oldest to the youngest.
- All remaining second-prize bulls from the oldest to the youngest.
- All third-prize bulls from the oldest to the youngest.
- All other bulls will sell according to placing from fourth prize down until the oldest class is completely sold.

The same practice will follow with each succeeding class until all bulls are sold.

The same order will be followed with females.

**SCOTSDALE DINSMUIR x** — A well-grown bull from our very prolific Rosebud family which included such champion dams as Scotsdale Uvira Rosebud. He is very correct on his feet and legs, shows tremendous length and an abundance of natural thickness and smooth fleshing. He has been used at Scotsdale and we recommend him highly. He is performance tested with average daily gain of 3.2 pounds, a lifetime gain of 2.8 pounds and an adjusted yearling weight of 1,011 pounds. On Nov. 23, 1971, he weighed 1,790 pounds.

Louada Brunel, AAA, was one of the biggest bulls used in western Canada and his service is prevalent in many herds there. Lot 7 is a son.

GLORIADALE ROYAL JUGGLER x — Study this pedigree and see this outstanding young bull. He weighed 1,040 pounds at one year and 1,635 pounds at two years. His sire, TPS Coronet Catalyst 18th x, weighs 2,150 pounds and was grand champion at the 1969 American Royal and first prize two-year-old at the 1969 International. In our opinion his sire is one of the best bulls Harold Thieman has ever produced and is doing a good job for Frank and Louis Dempster in Iowa. His dam, DPS Supreme Lady x, weighs 1,500 pounds and is rated the best polled female at Gloriadale. She is by Gloriadale Supreme x the 100% dehorning bull that left so many good cattle at Dempsters, was sold to Harris Simons, and last season returned to Gloriadale. Gloriadale Royal Juggler x is the fastest growing bull we have yet produced. He is tall, long, and set on good legs and dark red.

Keith Park Queen x

Red Roan, W. C. Green

KEITH PARK RIVERHURST 7th x — This bull is a heifer's first calf and is a surprisingly big, heavy-bodied bull, very quiet. He was one of our show circuit string, usually with a third placing. Look him over! He has everything; straight back and wide rear quarters.

Boa Kae Royal Canuck x sold in the 1971 sale at \$2,700 to Patterson and Kruger of Saskatchewan. He is a half brother to Lot 13.

## Lot 13, Bull

Berwyn & Leta Wise

BOA KAE ROYAL PATROL x —This is a solid red polled son of Boa Kae Royal Oak 2nd x. A bull with plenty of thickness and muscling, Royal Patrol x is very similar to Boa Kae Royal Canuck x, his half-brother, that sold in last year's Canadian International for \$2,700 to Colin Patterson and F. T. Kruger, Warman, Sask.

Boa Kae Royal Oak 2nd x was grand champion and won the \$1,000 Bonanza Purse at Edmonton before selling to A. R. Cross, Calgary, Alta. Lot 14 is a son.

BUTTE LEE APACHE 27th x — A full-brother to this bull was a member of the group of Kodiak 2nd x sons that were top-gaining Shorthorns at the Saskatoon Test Station in the 1969-70 test period. Kodiak 2nd x also sired the champion female in the 1970 Saskatchewan Breed Promotion sale and the third-place get-of-sire group in the Canadian Western Agribition show in Regina this year. We at Bonnyview are so certain of the quality of the Kodiak 2nd x calves that we have obtained all of the Butte Lee heifers by him for the last two years and a half-interest in most of his bull calves. The dam of this bull has several generations of performance testing and rugged conditions behind her, as do all of the Butte Lee females.

**ROTHBURY DYNAMIC LEADER 42nd x** — This big fellow is a credit to his illustrious ancestry. He is sired by Mighty Mr. Modern x and his mother is a paternal sister to the mother of "Tank". Rothbury Dynamic Leader 42nd x is the longest-bodied and the heaviest "red meat" bull we have raised. He weighed 1,510 pounds in December "in 1970 condition" and will not be two until April. The beef cattle industry has taken a big practical step forward by demanding a larger, longer, and heavier animal. If you are going to be a part of this exciting new era in beef production through breeding pedigreed cattle, the 42nd x will help you and your breeding operation. He indexes **W.I. 109, G.I. 106, Y.I. 108.**

**ROTHBURY SUPER LEADER x** — He could be the best bull we have produced. He is extremely tall and his leanness will amaze you. There is no under fat and his flanks are free of waste tallow. He is made to suit the 70's. Even with his extreme modern body, he still has the masculine head, eye and alertness of a stock bull. He is by Rothbury Sir Leader x that is the greatest breeding bull we have ever used. His mother comes from the old Recknell cows. Mr. Recknell bred his type of cattle 20 years too soon. They were too big and horsey then, but they are the saviors of the breed now. Rothbury Super Leader x indexes **W.I. 100, G.I. 129, Y.I. 111**. Last year in our footnote on **OLIVE GROVE LEADER 7th x**, grand champion and top-seller at \$4,000 to McLeans & Remital, we said he could be the bull to beat in 1971. He justified our statement and was champion at more major shows than any other bull shown last season. We predict Rothbury Super Leader x will be the bull to beat in 1972 at the shows. He'll be one of the great breeding bulls in the future.

**ROTHBURY SUPER LEADER 7th x, Lot 19.**

PLEASANT DAWN BOB x — This is a very trim, modern polled bull sired by Pleasant Dawn Royal Oak 7th x, a 100% dehorner. This is the first of his sons to be offered at auction. Pleasant Dawn Bob x was our heaviest weaning calf, weighing 609 pounds at 205 days, indexing 118. His 365-day weight was 1,043 pounds. He has never gone back since weaning. He has taken a few championships at western fairs, and has always been one of our group that won first at both Brandon and Saskatoon fairs and at many local fairs. Look at his pedigree. No wonder he has been a very popular yearling. Come look him over. We think he is one of the trimmest, best-muscled and correct yearlings that will be found at auction in 1972.

STONE OAK BUILDER x — Stone Oak Builder x was shown extensively on the western Canadian circuit and at the Toronto Royal Winter Fair. At all the shows he stood close to the top even if he was the youngest bull in his class. If you need a bull with good size and an extremely correct appearance, he is well worth looking at. His sire, a ton bull, left a lot of muscle in his calves for us. These include the grand champion Shorthorn steers at the Red River Exhibition in Winnipeg and the Manitoba Winter Show and Sale at Brandon, Manitoba last year. His dam is one of our biggest cows, very deep in polled breeding and from the select herd of one of our senior breeders, Henry Wurster. Henry considered her one of his best cows and he had never had a horned calf from this family. Builder could well be a 100% dehorner. The Wurster-bred cattle we have been fortunate enough to acquire are some of the best Polled Shorthorns we have come across and certainly have a contribution to make to our breed. We offer this bull with confidence.

**CAMPRIDGE SEAL x (BIG SEAL)** — Yes, "BIG SEAL" will go into the auction ring on February 26th. He is definitely one of the most popular bulls that was ever on Rothbury Farms. He is big and so correct. He has been first or second at every major Canadian show and a champion at many of them. His sire is a full brother to the sire of "Tank," the \$25,000 undefeated triple American champion. "Big Seal's" mother is a tremendous cow, one of the best females we've ever seen. A year ago we decided to add more females to our herd. We looked at a lot of cows and found the best at George Campbell's and bought ten tremendous cows but we couldn't buy Campridge Maxine. George wouldn't part with her. Since then a lot of top cowmen have visited the Campbell's but George still has Campridge Maxine. But last fall we were fortunate in obtaining the great white bull calf she had just weaned. "Big Seal" cannot miss as a sire with 1,600 pounds of natural condition on a non-fat mother cow. We predict a tremendous future for him. Look back in the past. All the great breeding bulls of all breeds that sired cattle like they were intended to, had great mothers. "Big Seal" should be of particular interest to those who have used one or more Leader bulls. He could be the outcross bull you are searching for. And will be tough to beat at the 1972 shows. We are retaining a semen interest. "Big Seal" indexes **W.I. 106, G.I. 106, Y.I. 106.**

## BREEDER AND COMMERCIAL

Whether you are a leading registered breeder or a quality-minded commercial cowman, Brandon is the place to find the kind of Shorthorn bulls that will show profit and progress in your beef program.

Yes, there have been record priced bulls at Brandon. But only 13 have

sold for more than \$4,000. Don't get the idea that Brandon is only the place for those kind. The real strength in the Canadian International lies in the support from commercial cattlemen who annually come here for all or much of their spring bull supply. They know the added profit that

**ROTHBURY SUPER LEADER 6th x** — This big roan son of Rothbury Sir Leader x has drawn many favorable comments from recent visitors. His mother is going to be one of our best cows. She calved the 6th as a two-year-old and brought in a full sister to him this year that is one of our top heifers. She is a half sister to our champion carload of bulls at Denver in 1970. This big, rugged, roan can sire the right kind for you. The 6th R.O.P. index **W.I.-122, G.I.-99, Y.I.-114.**

**ROTHBURY DYNAMIC LEADER 45th x** — This big sound June son of Mr. Modern x will make his new owner mighty happy in the future. It was not our intention to offer him until next year and he has run with 40 bulls until a few weeks ago, but we feel he should be breeding cows as soon as possible. His mother is the best old polled cow we own. She was the mother of Rothbury Miss Fair Clipper 2nd x that topped our 1970 sale at \$3,550 to Cherokee Ranch in Georgia and we have two more of her daughters in the herd. Rothbury Dynamic Leader 45th x is big and raw and needs a few more months to really reach his best, but with a sire and dam like he has he will be one of the best we ever sold. Rothbury Dynamic Leader 45th x indexes **W.I. 108, G.I. 97, R.I. 104.**

Stan Durnin will see that shipments are grouped most economically and will also make arrangements for holding bulls at nearby farms until they can be moved. With so many consignors coming from all over Canada, shipping will be simple to arrange. If you want to bring your own truck, special arrangements will be made to hold the border open until your truck clears that point on the evening of the sale.

WOODY HILLS MARK x — This is the first bull calf by Pleasant Dawn Mark x. He is also his first bull to be offered for sale. He's a polled bull and correct in every way. His weaning weight was 615 pounds on the first week of October. This calf has some of the best bloodlines in the industry today. Pleasant Dawn Mark x by Pleasant Dawn Approval x is from the herd of Lloyd Hatch & Sons, Oak Lake, Man. The dam of this calf is sired by Woody Hills Leader which sold in the International a few years ago, the dam of the dam is by Louada Brunel and out of a Clipper Beatrice cow. We have grown very proud of this calf in the past year. He's a great calf to look at. He was also a member of the supreme pen of three bull calves at the Canadian Western Agribition held in Regina, Sask., in December 1971. **We would like to retain show rights on this calf if the buyer is agreeable.**

**PLEASE CLIP OUT AND MAIL TO:  
HARRIS SIMONS, The Shorthorn World  
16 South Locust St., Aurora, Ill. 60506**

I Will be attending the banquet Friday evening, February 25, Brandon, Man. There will be \_\_\_\_\_ in my party. The banquet is dutch-treat. Tickets will be purchased at the door. But we need to know how many will be attending in order to make plans.

Pleasant Dawn Mark x  
is herd sire for Harold  
Poole & Son, Kemnay,  
Man., who offer two of  
his first sons this year  
including Lot 42 below.

**ROTHBURY DESTINY x** — Yes, we are offering our top calf again this year. We have done this the last four years and they have been well accepted at prices of \$1,100-\$2,250-\$4,000-\$6,000. Our 1972 calf is really something special. He is the first bull calf out of the female par excellence, Candun Queen of Beauty 3Y x, "the complete cow." We have shown her four years in a row as a cow. Her show record is not equaled by any female of any breed. While she was working in the showing, she was also producing tremendous calves. Her first one is at Hart Farm in Texas. Her second one was reserve champion heifer at this sale last year and sold at \$1,200 to Freyburn Farms, Saskatchewan. Rothbury Destiny x is sired by the old master himself, Mighhy Mr. Modern x. Study his pedigree. Where would you change it? He is a line-bred Leader and Carig White Cloud x. We know you will expect a lot of Rothbury Destiny x. So set your sights high. He won't disappoint you. His weaning weight was 665 pounds.

Pleasant Dawn Riverhurst 3rd x was used successfully in western Canada and now is in the Tutira herd, Arundel, Que. Lot 45 is a son.

**KEITH PARK RIVERHURST 15th x** — This bull is a March 20, 1971, calf. His sire is Pleasant Dawn Riverhurst 3rd x. He is the growthy type, and possesses his sire's length. His dam is out of one of our champion cows. We have had private offers for this calf, but we have decided we ought to show and sell our best here. He sells outright.

Distance in this modern era of transportation should not prevent a breeder looking for a stock bull or foundation female from attending this sale. Elsewhere in this catalog are noted plane and train schedules to Brandon. You owe it to yourself to be there.

Gloriadale Premium x originally sold among the top polled bulls of his year at the Canadian International and subsequently was repurchased by Gloriadale. Lot 46 is carrying the service of this 100% dehorner.

**Lot 46, Female**

**KINALLAN CLIPPER 3rd** — This young cow is the big, modern type. We are reluctant to sell her but we are retaining her dam and full sister at Gloriadale. Her sire Gloriadale Meteor 30th x was a massive white bull by great old bull Birmingham Meteor x that weighed 2,165 pounds. The famous Gloriadale Meteor 5th x is a half brother to the 30th x. The 5th x produced more good polled cattle that have done well for their new owners than has any other polled bull in America. Kinallan Clipper 3rd is bred to Gloriadale Premium x the 2,230-pound 100% dehorning bull that is also by the renowned Gloriadale Meteor 5th x. We bought back Gloriadale Premium from western Canada in 1970 and he is doing a tremendous job for us. You can be sure of a polled calf. Clipper 3rd was bred July 23, 1971, and should calve about April 30. She will be one of the good females at the International.

**CAMPRIDGE WHITE MABEL x** — Here she is! The grand champion female at Canada's biggest Shorthorn show in 1971, the Regina Exhibition. She's further proof that we sell our best. Campridge White Mabel x has won in 1971 and will be hard to beat in 1972, but her greatest value is in the tremendous cow she will make. She is by a full brother to the sire of "Tank", last year's Chicago, Denver and Kansas City winner. Her mother is one of the biggest and most highly valued cows we own. We served Campridge White Mabel x to calve next fall to KINNABER LEADER 9th x "Big Gene." If you can use a great female from the biggest line of Shorthorn cows we know, be in Brandon on February 26. Campridge White Mabel x R.O.P. is, **W.I.-94, G.I.-151, Y.I.-106.**

**ROTHBURY MISS GOLD SEAL 685C x** — This great calf is offered because it is our policy to sell only our best in this sale. This year we have had a rather nice problem; trying to pick the best heifer calf by Rothbury Sir Leader x because we have a tremendous crop by him. We think we have decided on one of the very best which is Rothbury Miss Gold Seal 685C x. Along with her tremendous individuality she also has a real good mother. All Rothbury Miss Gold Seal 685C x will need is a little help from you and she can win the strongest shows next season. These Sir Leader x heifers look so good that few of them will even leave Rothbury. The few we will sell could become collector's items.

**Lot 54, Female**

Lt. Rn., R. J. Draper

**ROTHBURY QUEEN ROTHES 603C x** — We went into our May heifers for this great young calf because we thought someone would like to show her and Rothbury Miss Gold Seal 685C x that is also selling. They would have one for each class. Rothbury Miss Queen Rotheres 603C x is from the very dependable Queen family which has produced some great ones for us. The top female is our 1969 sale at \$2,000 and two bulls that sold in this sale in 1970 at \$2,050 and \$2,250 were from this tremendous line. We are proud to offer this good young Rothbury Sir Leader x daughter.

Join in the fun at the banquet the night before the Canadian International.

## MEET YOUR FRIENDS FROM THROUGHOUT NORTH AMERICA IN BRANDON FEB. 25 - 26

Annually the cattleman's social hour and banquet at the Canadian International Bull Sale is a highlight of the year. Here are Shorthorn and Polled Shorthorn breeders -- and friends from other breeds as well. They have come to look, to buy and to discuss good cattle. Here's a great place for a stimulating exchange of ideas and a good time as well. We'll see you at 6 p.m. February 25 in the Prince Edward Hotel, Brandon.

It was difficult getting close to the sale ring in this standing-room-only crowd at the 1971 Canadian International.

# STANDARD GUARANTEE

Endorsed by The American Shorthorn Ass'n

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
